Analyzing the Source: Slavery 2012

Directions: You are assigned to analyze a primary source that will be used for our role playing. If the source does not address the question, write NA (not applicable)

1. Who wrote the document? Describe the author's qualifications and background.

2. How does this information influence whether or not you believe the author?

3. When was the document written? _____ Where was it written? _____

4. What type of document is this? (diary, letter, speech, journal article, autobiography...?)

5. Who is the author writing for? (the audience) _____

6. Why was the document written? or what motivated the author to write the document?

7. Is the author for or against slavery? _____

8. Answer the **Friendly and Unfriendly questions** on your read sheet. You may use the backside of this sheet
